MAJOR PROGRAM CHANGES

- **Statewide Open Access Middle-Mile Broadband Network**—The Budget includes \$3.25 billion one-time Coronavirus Fiscal Recovery Fund to fund the oversight, implementation, and maintenance of a statewide open access middle-mile broadband network. The network is a key component of the statewide effort to provide access to an affordable broadband network in currently unserved and underserved areas.
- **Technology Modernization Funding**—The Budget includes \$25 million one-time General Fund available for expenditure or encumbrance until June 30, 2024 to fund technology modernization solutions in a timely and efficient manner. The project solutions will be prioritized to improve or replace existing technology systems, increase information security, or improve the effectiveness of state entities.
- **Security Operations Center and Audit Program**—The Budget includes \$21 million General Fund for 49.0 existing Office of Information Security positions previously funded via the Technology Services Revolving Fund. The change in funding will sustain the Audit Program's standard four-year audit cycle without cost recovery ramifications to effected state entities and solidify the Security Operation Center's funding, ensuring state entities can focus their limited resources on critical security internal management and operational efforts to enhance their security infrastructure.
- **Stabilize Critical Services and IT Infrastructure**—The Budget includes \$11.4 million General Fund and 17 positions to stabilize critical digital services and support the state's Broadband for All efforts.
- **CA.gov Staffing**—The Budget includes \$2.3 million General Fund and 10 positions to provide increased support to onboard state entities to the CA.gov website.
- **Digital Identification**—The Budget includes \$1.1 million General Fund and 2 positions for 2021-22 and 2022-23 to fund the planning efforts to develop a Digital Identification technology for state services.

PROGRAM DESCRIPTIONS

6275025 - COUNTY ASSESSMENT STANDARDS PROGRAM

The CDTFA provides administrative services including accounting, budgeting, business services, health and safety, human resources, information technology, labor relations, training, procurement, and contracting to support the BOE's County Assessment Standards program. This program ensures that taxable properties are enrolled and assessed, and that the 58 county assessors assess all properties.

6275050 - STATE-ASSESSED PROPERTY PROGRAM

The CDTFA provides administrative services including accounting, budgeting, business services, health and safety, human resources, information technology, labor relations, training, procurement, and contracting to support the BOE's State-Assessed Property program. This program is responsible for valuing and assessing inter-county pipelines and properties owned or used by railroads, regulated telephone companies, companies transmitting or selling gas or electricity, and private railroad car companies. Local jurisdictions use the established values for the levy and collection of local property taxes.

6275075 - TIMBER TAX PROGRAM

This program provides revenue for the Timber Tax Fund. The revenue, less administrative costs, is allocated to the counties where the timber was harvested. The CDTFA administers and collects the Timber Yield Tax, a property tax paid by timber owners when they harvest trees or timber. The CDTFA determines the harvest values of timber and timberland production zone values.

6275100 - SALES AND USE TAX PROGRAM

PROGRAM DESCRIPTIONS**6280 - TAX PROGRAMS**

This program administers the Revenue and Taxation Code by reasonably interpreting and impartially applying the legislatively enacted laws that provide a significant portion of General Fund revenue. The Franchise Tax Board is responsible for administering the personal income tax and the corporation tax. Tax program activities include taxpayer assistance and tax return processing, filing enforcement, audits, and tax collection functions. The program also includes the collection and distribution of voluntary contributions to, and on behalf of, certain non-profit charitable organizations.

6285 - POLITICAL REFORM AUDIT

This program determines the accuracy and completeness of political statements and reports filed with the Secretary of State, and compliance with disclosures and record keeping requirements. On behalf of the Fair Political Practices Commission (FPPC), and in compliance with the Political Reform Act of 1974, the Franchise Tax Board conducts field audits of state and local candidates, measures committees, lobbying entities, committees supporting and opposing political candidates and statewide measures. These entities are randomly selected by the FPPC and/or meet dollar thresholds.

6290 - DEPARTMENT OF MOTOR VEHICLES COLLECTIONS PROGRAM

This program's objective is to increase collections of delinquent motor vehicle license fees, taxes, and penalties on behalf of the Department of Motor Vehicles by utilizing the same collection capabilities that are used to collect the personal income tax.

6295 - COURT COLLECTION PROGRAM

This program's objective is to increase collections of delinquent fines, penalties, and orders imposed by, and on behalf of, superior, municipal, and justice courts by utilizing the same automated collection capabilities that are used to collect the personal income tax.

6300 - LEGAL SERVICES PROGRAM

This program reimburses the Department of Justice for legal services provided in support of Franchise Tax Board functions.

6305 - CONTRACT WORK

This program provides cost-effective goods and services to other governmental entities through contractual agreements. Such goods and services include rental space to on-site childcare and cafeteria entities, data processing services for other governmental entities, and delinquent debt collection services.

9900100 - ADMINISTRATION

This program provides executive leadership under the general direction of the Franchise Tax Board by directing departmental operations, developing and executing policies, making decisions concerning program operations, and ensuring that the Board's programs and services are carried out in accordance with Government Code sections 15701 and 15702. 7760 Department of General Services

The Department of General Services (DGS), as an enterprise organization under the Government Operations Agency, provides centralized services to state agencies in the areas of: management of state-owned and leased real estate, including design and construction of state infrastructure projects; approval of architectural designs for local schools and other state-owned building; printing services; procurement of commodities, services, and equipment for state agencies; and management of the state's vehicle fleet. Furthermore, DGS employs practices that support initiatives to reduce energy consumption and help preserve California resources. The Director of DGS serves on several state boards and commissions.

Because DGS' programs drive the need for infrastructure investment, the Department has a capital outlay program to support this need. For the specifics on the Department's capital outlay program see "Infrastructure Overview."

PROGRAM DESCRIPTIONS**6320 - BUILDING REGULATION SERVICES**

With a multi-billion dollar annual investment in facilities for state offices and public schools, centralized responsibilities for inspection and approval are needed. This is achieved in the following ways: (a) Assuring protection of lives and property in public buildings and schools through plan review and field supervision; (b) Ensuring that facilities constructed with state funds are accessible to persons with disabilities; (c) Developing uniform public health and safety regulations for state and public building construction; (d) Administering the State School Facility Program, which provides financial assistance to school districts for the development of schools sites, construction, and modernization or replacement of school buildings; and (e) Adopting, codifying and publishing building standards for design and construction throughout California.

6324 - FACILITIES MANAGEMENT DIVISION

The Facilities Management Division is responsible for maintaining and operating over 60 DGS-owned buildings, grounds, and equipment; and supporting a portfolio of over 200 other state-owned properties.

6325 - REAL ESTATE SERVICES

Centralized responsibilities for leasing, planning, acquisition, design, and construction are needed to ensure quality, avoid redundancy, and deliver real property and facilities at the lowest possible cost. This is achieved by: (a) Providing adequate space for state operations at a cost below that which each agency could provide for itself; (b) Ensuring protection of lives and property in public buildings through progressive design and proactive construction inspection; (c) Selecting the most qualified parties (both internal and external) to design and construct high quality facilities for other state departments to deliver their programs to the citizens of California; and (d) Acquiring, managing, and disposing of real property assets for state agencies, and providing public service facilities with economy of operations and uniform practices for protecting the public's interests and ensuring equitable treatment of private property owners.

6330 - STATEWIDE SUPPORT SERVICES

To fulfill their program responsibilities, state agencies require support services for business transactions and activities which are essential to their organizational functions. These operational requirements include: establishing statewide contracts and leveraged procurement agreements for information technology and non-information technology goods and services, green and sustainable materials, energy/natural gas, and transportation; conducting Non-Competitive Bid reviews/approvals; providing small business and disabled veteran business enterprise outreach and certification; setting procurement policy and providing the associated training; publishing and related business and office services. Other state agency support requirements include travel, consulting services for legal contracts, risk and insurance management services, state-wide sustainability, energy efficiency and clean renewable energy generation program services, and budget, accounting and human resources services. Additionally, state and local agencies contract for the services of administrative law judges to conduct quasi-judicial hearings and mediations authorized by law.

9900 - ADMINISTRATION

The Administration program provides services essential to support the programmatic responsibilities of the Department. This program provides executive leadership and policy direction through the executive office, legislative affairs, legal services, auditing, research and strategic planning, public affairs and equal employment opportunity as well as central administrative services in accounting, budgeting, business services, human resources, training, information technology, health and safety, and departmental procurement and contracting.

PROGRAM DESCRIPTIONS**6380 - VICTIM COMPENSATION PROGRAM**

This program reimburses certain expenses of victims of crime in California who are injured or threatened with injury and suffer financial hardship as a direct result of a violent crime. The victim of a qualifying crime, and eligible family members, may file a claim with the CalVCB for program benefits.

6385 - RESTITUTION PROGRAM

This program serves victims of crime in California by maintaining the fiscal stability of the Restitution Fund through the recovery of monies owed from restitution fines and orders. The Program's chief emphasis is to educate the criminal justice community (the judiciary, district attorneys, chief probation officers, and court administrators) on the importance of the consistent imposition and collection of restitution fines and orders. The program also partners with the Department of Corrections and Rehabilitation, the Franchise Tax Board, and the Attorney General's Office on restitution-related activities.

6395 - GOOD SAMARITAN PROGRAM

This program reimburses persons for certain expenses who sustained injury or losses as a result of a direct action that benefited the public, such as the prevention of a crime or a rescue of a person in immediate danger of injury or death.

LEGAL CITATIONS AND AUTHORITY

DEPARTMENT AUTHORITY

Government Code, Title 2, Division 5, Parts 3, 4, and 5; and California Constitution, Article XVI, Section 17.

MAJOR PROGRAM CHANGES

• The Budget includes \$1.9 billion Proposition 2 debt repayment funding for a supplemental pension payment in 2021-22 to further reduce the state's CalPERS unfunded liability. This is a supplemental payment in addition to the estimated \$6 billion contribution the state is statutorily-required to make to CalPERS in 2021-22. Based on current projections, an additional \$5.5 billion in Proposition 2 funding is planned to be paid to CalPERS over the remaining forecast period (fiscal years 2022-23 to 2024-25) depending on the future availability of those funds.

• Although not reflected in 7900 - Public Employees' Retirement System, the Budget includes \$225 million within the Proposition 2 debt repayment requirement to pay down the General Fund's portion of a loan from the Surplus Money Investment Fund. This loan funded a one-time \$6 billion supplemental pension payment towards the CalPERS state retirement plans in 2017-18.

^{1/} This display reflects fund data as of the 2021-22 Governor's Budget.

^{2/} This display does not reflect the \$1.9 billion supplemental pension payment to the California Public Employees' Retirement System (CalPERS) in 2021-22 towards the unfunded liabilities of the state retirement plans that are included in the 2021 Budget Act, nor does it reflect the supplemental pension payments to the CalPERS state plans and Schools Pool that are included in the 2019 Budget Act. Chapter 33, Statutes of 2019 (SB 90) authorized a \$3 billion supplemental pension payment to be paid to CalPERS over fiscal years 2018-19 through 2022-23, and Chapter 859, Statutes of 2019 (AB 118) authorized a \$100 million supplemental pension payment to be paid to CalPERS over fiscal years 2019-20 through 2022-23. The following changes were implemented as part of the Budget Act of 2020: (1) remove the General Fund payments scheduled over fiscal years 2020-21 through 2022-23, (2) pay the scheduled \$243 million 2020-21 General Fund payment to the state patrol member plan using Proposition 2 debt repayment funding, and (3) redirect the \$2.5 billion transferred in 2019 to produce the most immediate savings (over fiscal years 2019-20, 2020-21, and 2021-22).

^{3/} The 2021 Budget Act estimates 2021-22 state contributions to CalPERS to be \$6,039,662,000. The decrease in this estimate from the 2021-22 Governor's Budget to the 2021 Budget Act reflects a slight decrease in the state plans' employer contribution rate, as approved by the CalPERS Board of Administration at its April 2021 meeting.

^{4/} The 2021 Budget Act estimates 2021-22 administrative expenditures to be \$433,175,000, as approved by the CalPERS Board of Administration at its April 2021 meeting. The decrease to this estimate from the 2021-22 Governor's Budget to the 2021 Budget Act reflects the net of the savings approved by the CalPERS Board of Administration at its November 2020 meeting and anticipated increases in salary and benefits captured in the expenditures approved in April 2021.

^{5/} The 2021 Budget Act estimates 2021-22 other expenditures to be \$1,030,261,000, as approved by the CalPERS Board of Administration at its April 2021 meeting. The increase to this estimate from the 2021-22 Governor's Budget to the 2021 Budget Act is primarily due to an increase in investment external management fees and third party administrator fees.

^{2/} This display only represents state employee and employer activity within the Annuitant's Health Care Coverage Fund. For a complete overview of revenues and expenditures contained within the fund, including public agencies, refer to the Fund Condition Statement.

^{3/} Represents state employee and employer contribution amounts.

^{4/} Per Government Code Section 22940, assets accumulated in state bargaining unit subaccounts within the Annuitant's Health Care Coverage Fund will not be expended until the individual subaccount reaches a 100 percent funded ratio as determined by an actuarial valuation, or until July 1, 2046.

^{5/} Amount contains \$616 million included in the 2021 Budget Act to help ensure full funding by 2046, which is provided by the employer on behalf of the employees, based on the actuarial liability for each bargaining unit, since employee prefunding contributions were suspended in 2020-21 due to the Personal Leave Program 2020.

PROGRAM DESCRIPTIONS

6410 - RETIREMENT

CalPERS provides retirement planning education, service and disability retirement, refunds, and survivor and death benefits for employees of California public employers. CalPERS provides special benefits based on death or disability incurred in the line of duty for members in certain occupations. As of June 30, 2020, there were about 1,320,000 active and inactive members, and about 733,000 retirees, survivors, and beneficiaries under the CalPERS system.

Basic retirement benefits are generally based upon three factors: age at retirement, years of service, and final compensation. There are different formulas for each of the member categories, such as Miscellaneous, Industrial, Peace Officer/Firefighter, California Highway Patrol, and Safety. Over 50 contract options are available to local cities, counties, and districts that contract with CalPERS. However, state and local employees hired after January 1, 2013 will generally be limited to one of five benefit formulas. A member's retirement and death benefits are determined by statute and/or contract provisions.

As of June 30, 2020, there were 2,890 public agency and school district employers providing CalPERS retirement, death, and survivor benefits to California public employees. CalPERS benefits may be transferable for members who continue their careers with many other public employers in California as a result of agreements between CalPERS and other public agency retirement systems.

CalPERS also administers the Legislators' and Judges' Retirement Systems.

6412 - SOCIAL SECURITY

CalPERS serves as California's designated State Social Security Administrator (SSSA) and oversees agreements between the federal government and public employers who provide Social Security benefits to their employees under the Old-Age, Survivors, Disability, and Health Insurance provisions of the federal Social Security Act. As the SSSA, CalPERS acts as the liaison between the Social Security Administration and approximately 2,300 public agencies. The program is responsible for administering new coverage agreements, processing coverage modifications, providing education to employers, and collecting and reporting information to the Social Security Administration.

6415 - HEALTH BENEFITS

The Health Benefits Branch program contracts with health maintenance organizations, claim administrators, employee associations, and others to provide health insurance for state, California State University, and local public agency employees, retirees, and their dependents. The program negotiates and monitors health plan contracts, develops cost-effective programs, provides enrollment services to members and employers, and meets and confers with employee organizations and employer representatives.

Additionally, this program maintains demographic and statistical information systems; establishes standards for Basic, Supplement to Medicare, and Managed Medicare health plans; establishes and maintains health benefits coverage for all eligible employees and retirees; provides accurate and timely accounting for participating agencies; and serves as an impartial intermediary between CalPERS enrollees and insurance carriers in resolving claim and service disputes.

6420 - INVESTMENT OPERATIONS

Through this program, CalPERS invests funds in various investment categories (stocks, bonds, real estate, etc.) for the purpose of minimizing the employers' contributions to the system needed to provide benefits to active participants, retired members, and their beneficiaries. Since CalPERS was established in 1932, investment assets of the Public Employees' Retirement Fund have grown from \$800,000 to a total of \$395.8 billion, as of June 30, 2020.

6425 - ADMINISTRATION

This program provides executive direction, specialized information, and administrative support necessary to administer all of the CalPERS programs. The various services include: Audits, Diversity Outreach, Enterprise Compliance, Enterprise Strategy Performance, Executive, Financial Office, Human Resources, Information Technology, Legal, Legislative Affairs, Long Term Care, Operational Support, and Public Affairs.

7910 Office of Administrative Law

The Office of Administrative Law (Office) is responsible for reviewing administrative regulations proposed by over 200 state regulatory agencies for compliance with standards set forth in California's Administrative Procedure Act, for transmitting these regulations to the Secretary of State, and for publishing regulations in the California Code of Regulations. The Office is also responsible for posting links on its website to other state agency websites where the public may find regulations that have been recently filed with the Secretary of State, but have not yet gone into effect. The Office assists state regulatory agencies through a formal training program, as well as through other less formal methods, to understand and comply with the Administrative Procedure Act. Through its Reference Attorney service, the Office provides direct legal advice to state agencies and members of the public regarding California rulemaking law.

In response to petitions submitted by interested persons, the Office evaluates whether rules being used by state agencies constitute underground regulations, i.e., rules that have not been properly adopted pursuant to the requirements of the Administrative Procedure Act, and issues formal determinations reflecting those evaluations.

The Office oversees the publication and distribution, in print and on the Internet, of the California Code of Regulations and the California Regulatory Notice Register.

- Teachers' Health Benefits Fund
- Teachers' Deferred Compensation Fund

CalSTRS provides pension benefits, including disability and survivor benefits, to California full-time and part-time public school teachers from pre-kindergarten through community college and certain other employees of the public school system. As of June 30, 2020, there are approximately 975,000 members, retirees, and beneficiaries of the STRP Defined Benefit Program.

CalSTRS is governed by the Teachers' Retirement Board. The California Constitution provides that the Teachers' Retirement Board has authority over the administration of the retirement system.

MAJOR PROGRAM CHANGES

• The Budget includes \$12.3 million for 30 positions and funding for external investment audit services to continue building inhouse investment capabilities and the benefits of internally managed assets, and manage overall growth of assets under management. The funding and positions in 2021-22 represent the first year of a multi-year strategy for these efforts in the amount of \$40.9 million and 109 positions, distributed across fiscal years 2021–22 through 2025–26.

• The Budget includes \$3.9 billion General Fund for state contributions to CalSTRS. The roughly \$435 million increase from the previous fiscal year is largely due to payroll growth and the Teachers' Retirement Board's decision to exercise its authority to increase state contributions by 0.5 percent of teacher payroll, consistent with the funding strategy signed into law in 2014. See 6300 - State Contribution to the State Teachers' Retirement System for more information.

• The Budget includes a \$410 million supplemental pension payment in 2021-22 towards the state's share of the Defined Benefit Program's unfunded liability to be paid out of Proposition 2 debt funding. See 6300 - State Contribution to the State Teachers' Retirement System for more information.

PROGRAM DESCRIPTIONS

6450 - SERVICE TO MEMBERS AND EMPLOYERS

CalSTRS is responsible for the determination and payment of benefits to members, retirees, and their beneficiaries, and for the distribution of information to all members, employers, and other interested groups. CalSTRS' Defined Benefit Program, the largest program within the STRP, includes service retirement, benefits for survivors, and disability benefits. Basic retirement benefits are generally based upon three factors: age at retirement, years of service, and final compensation. The member may modify the basic allowance by selecting a joint and survivor annuity option to provide benefits for their beneficiary after the member dies. Generally, the payments of benefits are made within 30 days following the effective date of the member's retirement. A member's retirement benefits, benefits for survivors, and disability benefits are determined by statute and/or contract provisions.

Income to CalSTRS is derived from contributions from members and employing school districts, appropriations from the General Fund, and investment earnings (see 6300 - State Contributions to the State Teachers' Retirement System). The cost of administration is paid from the Teachers' Retirement Fund, as provided in Section 22304(a) of the Education Code.
